Seventh-semester Software Engineering Technology student at Universitas Gadjah Mada with hands-on experience in integrating backend and frontend systems using Laravel. Proficient in PHP, Laravel, and API integration. Quick to adapt to new technologies and environments, with a strong ability to collaborate effectively in team settings.

## EDUCATION

**Bachelor of Applied Science - BASc Computer Software Engineering** Jan 2022 – Expected Dec 2025

Sekolah Vokasi Universitas Gadjah Mada (SV UGM)

**GPA:** 3.83 of 4.0

Related subjects: Basic Application Project, Mobile Application Programming, Web Programming, Database, Object-Oriented Programming, Software Development Methods and Models, Software Architectures, Software Requirements Engineering, Software Analysis and Design

## WORK EXPERIENCE

**PT. Gamatechno Indonesia**

**Sep 2024 - Mar 2025**

Intern Full Stack Developer

**PT. Parama Data Unit**

**Feb 2025 - Jun 2025**

Intern Back End Developer

## PROJECTS

**Auto Reporting App (PT. Parama Data Unit)**

**Feb 2025 - Jun 2025**

- Built a responsive user interface with React to capture data through user-submitted forms.
- Developed backend API routes using Next.js to process data, connect to the internal company API, and handle report logic.
- Engineered an automated workflow to generate and deliver daily reports in PDF format.
- Streamlined the data reporting process, significantly reducing manual compilation time and effort.

**Nasmoco I-Boss (PT. Gamatechno Indonesia)**

**Sep 2024 - Mar 2025**

- Developed backend features with Laravel for seamless functionality.
- Optimized database queries and system performance.
- Integrated AJAX for real-time user interactions.
- Ensured secure operations with validation and authorization.

**Cinurawa Company Profile**

**Aug 2023 - Dec 2023**

- Implemented Laravel Filament
- Integrated Database with Front-End
- Collaborated with Front-End Developers
- Conducted Testing and Debugging

## SKILLS

**Soft Skills:** Attention to Detail, Problem-Solving, Adaptability, Technical Communication, Collaboration

**Web Development :** HTML, JS, CSS, Laravel, PHP, Next.js, React, MySQL, Git, Bootstrap, Tailwind

**Mobile Application Development :** Android Studio, Kotlin

**Tools:** Visual Studio Code, Figma, Postman, Github, GitLab

## LANGUAGES

**Bahasa Indonesia** (Native proficiency) • **English** (Professional working proficiency)
